

End-User/End Use Form

This instruction page is to help you complete the attached End-User/End Use form. **Please copy and paste, or print the following two (2) pages to your company letterhead. The form must be completed in its entirety, signed and returned before your order can be processed.** Please Type or Print legibly and provide enough detail to enable a complete understanding of the End-User/End Use.

1. Customer/Purchaser: Provide the company name, street address (P.O. Box **not acceptable**) and contact information of the company who will place an order with Cobham Avionics (Artex Aircraft Supplies, S-TEC Corporation, Northern Airborne Technology, or Chelton Avionics Inc. dba Wulfsberg Electronics.) Identify the part number and, if known, your purchase order number.

2. End-User: Provide the company or organization name, street address (P.O. Box **not acceptable**) and contact information of the ultimate owner/end user.

3. Consignee: Provide the company name, street address (P.O. Box **not acceptable**) and contact info of company who will take possession of the manufactured goods for storage, modification, installation, and/or incorporation into the end item and forwarding to End User.

4. Intermediate Consignees: Provide company name(s), street address(es) (P.O. Box **not acceptable**) and contact information of ALL additional known parties between Cobham Avionics and the End User who will handle or have access to the product - including shippers, in-country Freight Forwarders, Brokers, Couriers, Agents, etc. If there are more than two intermediate consignees, please provide a continuation sheet listing them in the same format as the attached form.

5. End Use, Program and Application: Identify the program and military designation (if applicable, e.g.: T-6A, C-130), type of aircraft or assembly and its intended use/purpose. Identify if the aircraft will be armed.

6. Identify the purpose of the Cobham Avionics manufactured products: Provide a description of how/what the purchased products will be used for in the End Use identified in item No. 5 above.

7. Certification: Identify if the product installation is certified by an agency and the project number.

After completion of the above tasks, please sign, date, and fax or e-mail the completed form to the attention of the account manager or sales coordinator who has been assisting you.
