1. Applicability

This information bulletin is applicable to 903-5223-901 and the 903-5223-902 units that utilize the RVR-1 door assembly.

2. Subject

The purpose of this bulletin is to identify that the headphone jack door assembly was not included as part of the faceplates 55-20-180A or 55-20-180B and was not detailed in the production assembly procedure.

3. Procedure

Secure the door assembly (NAT p/n RVR-1) to the faceplate using Loctite Hysol 11C epoxy adhesive (NAT p/n 96-01-033). Refer to Exploded View drawing 903-5223-901\904-0 for orientation.
